On 22 November 2024, Accountor Finago Oy (the "**Offeror**"), a Finnish private limited liability company, belonging to the Accountor Software group ("**Accountor Software**"), which is indirectly controlled by funds advised by Kohlberg Kravis Roberts & Co. L.P. and its affiliates, and Heeros Plc ("**Heeros**" or the "**Company**") announced that they had entered into a combination agreement pursuant to which the Offeror has made a voluntary recommended public cash tender offer for (i) all the issued and outstanding shares in Heeros that are not held by the Company or any of its subsidiaries (the "**Shares**" or, individually, a "**Share**") and (ii) all the issued and outstanding option rights 1/2020 A, 1/2020 B, 1/2020 C, 2021a, 2021b, 2021c and 1/2023 in Heeros that are not held by the Company or any of its subsidiaries (the "**Option Rights**" or, individually, an "**Option Right**") (the "**Tender Offer**"). The Offeror has published a tender offer document dated 19 December 2024 concerning the Tender Offer (the "**Tender Offer Document**"). The acceptance period under the Tender Offer commenced 20 December 2024 at 9:30 a.m. (Finnish time) and will expire on 17 February 2025 at 4:00 p.m. (Finnish time), unless the acceptance period is extended or any extended acceptance period is discontinued (the "**Offer Period**").

The Offeror has today received merger control clearance for completing the Tender Offer from the Finnish Competition and Consumer Authority. Therefore, the Offeror has received all necessary regulatory approvals for the completion of the Tender Offer and the condition to completion of the Tender Offer concerning the receipt of regulatory approvals has been fulfilled.

The completion of the Tender Offer is still subject to the fulfillment or, to the extent permitted by applicable laws and regulations, waiver by the Offeror of certain other customary conditions on or prior to the Offeror's announcement of the final result of the Tender Offer. Such conditions include, among others, the Tender Offer having been validly accepted with respect to Shares representing, together with any other Shares otherwise acquired by the Offeror prior to or during the Offer Period, more than ninety (90) percent of the issued and outstanding shares and voting rights in Heeros calculated in accordance with Chapter 18, Section 1 of the Finnish Companies Act (624/2006, as amended) and on a fully diluted basis.

The Offeror expects to complete the Tender Offer during the first quarter of 2025. The preliminary result of the Tender Offer will be announced on or about the first (1st) Finnish banking day following the expiration of the Offer Period (including any extended or discontinued extended Offer Period). In connection with the announcement of such preliminary result, it will be announced whether the Tender Offer will be completed subject to the conditions to completion being fulfilled or waived on the date of the Offeror's final result announcement and whether the Offer Period will be extended. The final result of the Tender Offer will be announced on or about the third (3rd) Finnish banking day following the expiration of the Offer Period (including any extended or discontinued extended Offer Period) at the latest. The announcement of the final result will confirm (i) the percentages of the Shares and Option Rights that have been validly tendered and not properly withdrawn and (ii) whether the Tender Offer will be completed.

If the Tender Offer is completed, the Share offer price and Option Right offer prices will be paid to each shareholder of Heeros and holder of Option Rights who has validly accepted, and not validly withdrawn, the Tender Offer in accordance with the terms and conditions of the Tender Offer.
